

## International Letter of Invitation Plone Conference 2026

Dear Sir or Madam,

On behalf of the Plone Foundation and the local organizing team, we are pleased to invite you to attend the Plone Conference 2026, taking place from September 21–27, 2026, in Maastricht, the Netherlands.

The Plone Conference is the flagship annual event of the global Plone community, bringing together professionals, developers, researchers, and decision-makers from around the world.

During the conference, participants will engage in technical sessions, strategic discussions, hands-on trainings, and collaborative sprints focused on secure, accessible, and sustainable digital platforms. The Business Track will provide valuable insights into digital autonomy, responsible AI adoption, and long-term governance strategies.

Please note that during your stay in Maastricht, the Netherlands, you are financially responsible for all medical expenses, including emergency care, lodging, food & beverage, transportation, and incidentals. This invitation does not constitute any financial obligation.

We look forward to welcoming you to Maastricht and to the Plone Conference 2026.

Sincerely,

The Plone Foundation & Local Organizing Team
